Internal:

-Societies:

-Ratifications have been continuing! Many more to come. Getting closer to our goal of 365 by May.

-Continuing work with our Policy and Research Coordinator to look at Society Policy changes for the New Year, and potential bylaw amendments related to Societies and other aspects of my portfolio.

-Student Accessibility Bursary Committee

-Hoping to have the new application up on our website by the end of this week, and meet with the committee to review any outstanding bursaries from last semester/decide our next meeting time(s) at which we will review all Winter Term applications at once.

-Equity and Accessibility Office:

-I met with Aaron at the end of December (E&A Officer) to review the semester and look forward to next semester. We're hoping to roll out regular Anti-Oppression training, some new social media tactics, and more events this semester.

-Communications:

-Continuing regularly scheduled posting!

-Will begin hosting weekly/regular Communications/Social Media meetings with the entire Exec and any staff that feel it would be useful to them to ensure that internal communications are clearer and better executed.

University Relations:

-Attended regular Bi-Weekly Meetings with the Student Affairs Administration.

-Attended SDC Follow-up/deliberation meetings.

Programming and Events:

-The Winter Society and Volunteer Expo is this month!!! Looking forward to it, and hope to see you all (and your respective societies) there!

Short Report this week as the last 3 weeks have been spent doing some much needed rest and reflection during the Holiday Break. I hope you all enjoyed yours too! Can't wait to do more work with you all this semester.
