Impact Awards 2019
- Happened! Congrats to all the winners and performers. Thank you to the volunteers and all those who helped out.

Paddy Murphy’s Breakfast Bar
- Served up cereal to students throughout the morning and afternoon. Had a lot of positive feedback! Recommending something similar happens in future years.

Riipen
- Working to set up a potential partnership with the organization Riipen which seeks to partner student societies and individuals with career development opportunities based on field of interest.
Programming Review Committee

- Working with Policy and Governance Director on the structure for this committee
- Building the foundation currently, hoping to be able to have it up and running soon
- I’ve been invited to sit as a part of the University’s programming review committee. I’m going to look at the way their committee is structured and how meetings are run as a potential template for the DSU.

Transition

- It’s starting! I’ve gone through the physical files kept in the VPSL’s office and have appropriately organized and filed, pull those that are important/essential for transitioning.
