

DSUSO 2018/2019 Steering Committee Nomination Form

Since 2007, the Dalhousie Student Union Sustainability Office (DSUSO) has been a student funded service that strives to create a culture of sustainability within the Dalhousie Student Union (DSU), Dalhousie University, and the community at large.

DSUSO's Steering Committee is made up of Dal students who help direct the vision of DSUSO, sit on subcommittees (e.g., hiring, event planning, and issues-based committees), and make decisions about how DSUSO invests its resources. It requires a minimum commitment of biweekly meetings, with the possibility of getting more involved.

To apply for the 2018/2019 DSUSO Steering Committee, complete this nomination form and submit it to dsustain@dal.ca by 5pm on April 5th, 2018. Nominees are asked to attend DSUSO's Annual General Meeting (details TBA – check back at dsu.ca/dsuso or facebook.com/dsuso) where voting will take place to elect the 2018/2019 Steering Committee. If you have questions about DSUSO, the Steering Committee, or this nomination process, please email dsustain@dal.ca.

Candidate Information

Name:

Pronouns (she/her, he/him, they/them, etc):

I will be a full or part-time Dal student in 2018/2019: yes _____ no _____

Email:

Date:

3. DSUSO has a mandate to focus on environmental justice issues. As a Steering Committee member, are you committed to engaging with environmental justice issues, anti-environmental racism, and decolonization, and learning more about these issues during your term? (max 200 words)
