

Mary MacDonald's Equity Motion:

Whereas the DSU Equity Policy states: Dalhousie Student Union is committed in all its operations to creating equitable and inclusive environments free from harassment and discrimination. Creating inclusive and positive environments is a collective responsibility of all members of the Dalhousie Student Union.

Whereas the University Club on campus does not have wheelchair accessible entries, accessible bathrooms, and has inaccessible raised portions within;

BE IT RESOLVED THAT MOTION 2016-10-26: B01 be amended to say that DSU executive will strive to obtain funding to make the University Club physically accessible to all members. Further, the DSU executive will provide council with updates on progress in the President's written report at every meeting until this issue is resolved. [Until the University Club is accessible, the DSU executive shall advise, and instruct wherever possible, that events presented to them; and events hosted by DSU societies shall be held in a more accessible location.](#)
