Living Wage Motion
Moved by: Chantal Khoury, Vice-President Finance and Operations

Whereas many Dalhousie Student Union (DSU) members work in minimum wage jobs; and
Whereas the DSU strives to push for the interests of its members; and
Whereas well-paying positions provide incentive for members to get more involved in the DSU;

BE IT THEREFORE RESOLVED THAT the DSU support campaigns that seek to raise the
minimum wage to a living wage, and participate in such campaigns;
BE IT FURTHER RESOLVED THAT the Vice President Finance and Operations be tasked
with drafting available strategies and timelines for the DSU to provide a wage of no less than
$15 an hour to its employees, and to report their findings back to DSU Council no later than
January 20th, 2019.
