

Notice of Motion:

BIRT the Dalhousie Student Union be tasked with developing a comprehensive mental health resource of all mental health services and supports available on campus to students that will be released by February 10th, 2017 and will be made available to students via social media, in a hardcopy paper form, and on the DSU website and app.

BIFRT this resource must include a comprehensive listing of the group therapy sessions offered by Dalhousie Counselling within this resource.

BIFRT that the resource must list the amount of psychological coverage provided to students by the DSU health insurance as well as clear and understandable instructions on how to access the coverage and find a private psychologist.

BIFRT that the DSU must reach out to all Dalhousie offices, services, and departments that provide information to students and provide hardcopies to all areas of Dalhousie that are interested in distributing the resource.
