Programming Review Committee
- Working with Policy and Governance Director on the structure for this committee
- Building the foundation currently, hoping to be able to have it up and running soon
- I’ve been invited to sit as a part of the University’s programming review committee. I’m going to look at the way their committee is structured and how meetings are run as a potential template for the DSU.

See you in September & Music Program

- Big thank you to everyone who helped out with this! The video and song look and sound fantastic! If you haven’t had a chance, definitely look it up and share with pals: https://www.youtube.com/watch?v=DG-qClrGctY
- Working to organize full year program
